

Business Language Program

Business Language is specially designed to help improve your grasp of professional-level language needed in a workplace environment. Our tutors have experience in many different professional industries and you will be matched with a tutor in your industry. Whether you work in education, finances, medicine, marketing, engineering, hospitality, law, public relations or human resources, your program will increase your grasp of the business language required in your field.

What does my program include?

- Clean, private room in a welcoming homestay
- 3 meals per day prepared for you by your host family
- 15 hours of private language lessons per week
- One free weekly activity
- Specialized business focus
- Airport transfers to and from your homestay
- Satisfaction guaranteed
