

Cultural Immersion Program

What better way to experience a culture than with your very own local guide? Immerse yourself in your destination by exploring the history and culture of your host country. In this program you will live in a wonderful homestay and receive guided cultural activities from a member of your host family. Your host family will create these tours around your specific interests, so you may choose to visit museums, art galleries, food festivals, local exhibits, music events or any other cultural event hosted by the local area.

What does my program include?

- Clean, private room in a welcoming homestay
- 3 meals per day prepared for you by your host family
- 15 hours of cultural activities
- All costs associated with cultural activities
- Airport transfers to and from your homestay
- Satisfaction guaranteed

See your destination through the eyes of those who live there!
