

Language Development Program

Language Development is our most comprehensive language learning course. Whether you're a beginner or advanced in the language of your choice, this course will help you strengthen your listening, speaking, and grammar skills through formal instruction in a total immersion setting. In this program you will live in a wonderful homestay and receive one-on-one language lessons from a member of your host family. Your tutor is university accredited and will design the lessons to meet your specific needs and interests. Simply let us know the areas of focus you want to study and leave the rest to your tutor!

What does my program include?

- Clean, private room in a welcoming homestay
- 3 meals per day prepared for you by your host family
- 15 hours of private language lessons per week
- One free weekly activity
- Airport transfers to and from your homestay
- Satisfaction guaranteed
